"IT'S EXHILARATING! 'M:I-2' IS A PURE KINETIC ADVENTURE! THUMBS UP!"

Roger Ebert, *EBERT AT THE MOVIES*

How do you prevent terrorists from unleashing mayhem on the entire world? You don't. This is a job for IMF agent Ethan Hunt.

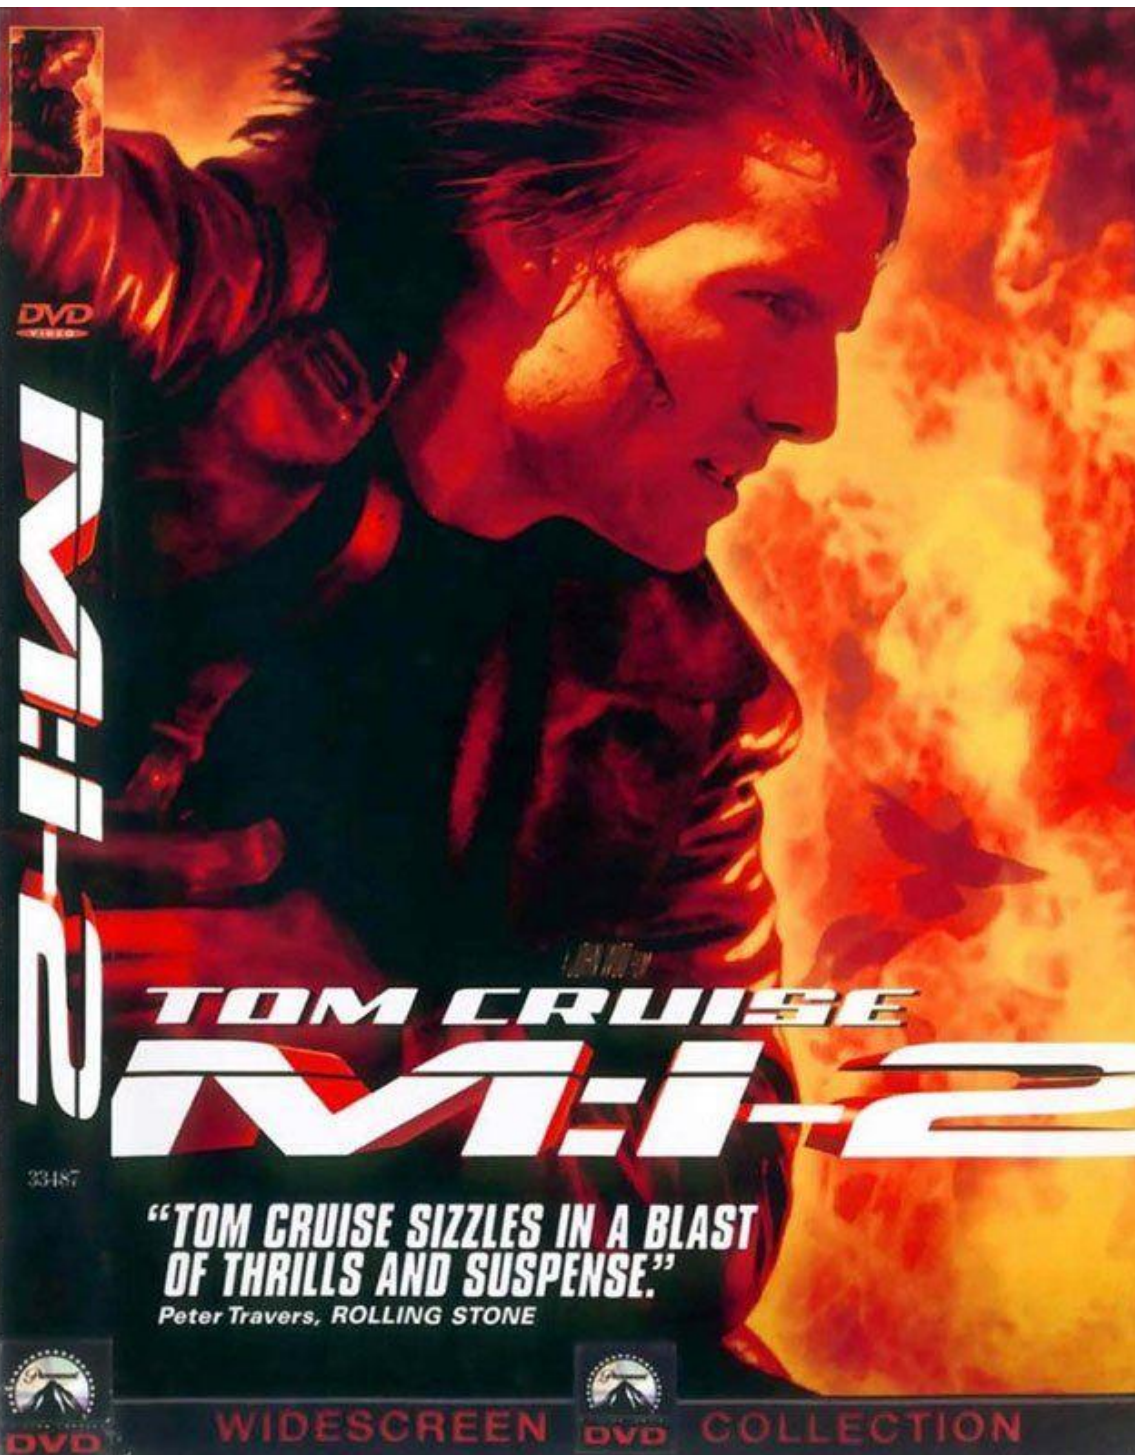

The world's greatest spy returns in the movie event of the year, M:I-2. Top action director John Woo brings his own brand of excitement to the mission that finds Ethan Hunt (Tom Cruise) partnering up with the beautiful Nyah Hali (Thandie Newton) to stop renegade agent Sean Ambrose (Dougray Scott) from releasing a new kind of terror on an unsuspecting world. But before the mission is complete, they'll traverse the globe and have to choose between everything they love and everything they believe in.

"PUT YOUR MIND ON CRUISE CONTROL AND FASTEN YOUR SEAT BELTS!"

Joel Siegel, *GOOD MORNING AMERICA*
