

Nocturnal animals

Academy Award® nominees Amy Adams* and Jake Gyllenhaal* star in this haunting romantic thriller from acclaimed writer/director Tom Ford (*A Single Man*). Susan (Amy Adams) is living through an unfulfilling marriage when she receives a package containing a novel manuscript from her ex-husband, Edward (Jake Gyllenhaal). The novel is dedicated to her but its content is violent and devastating. Susan cannot help but reminisce over her past love story with the author. Increasingly she interprets the book as a tale of revenge, a tale that forces her to re-evaluate the choices that she has made, and reawakens a love that she feared was lost. Also starring Armie Hammer and Michael Shannon, *NOCTURNAL ANIMALS* is a thriller of shocking intimacy and gripping tension.

Les candidats aux Academy Award® Amy Adams* et Jake Gyllenhaal* partagent la vedette de ce suspense sentimental trépidant du scénariste et réalisateur acclamé Tom Ford (*Un homme au singulier*). Coincée dans un mariage décevant, Susan (Amy Adams) reçoit le manuscrit d'un roman signé par son ex-mari Edward (Jake Gyllenhaal). Le roman, dédié à Susan, est une œuvre violente et dévastatrice. Sa lecture amène la jeune femme à se remémorer son histoire d'amour avec l'auteur. Elle en vient à considérer le livre comme un récit de vengeance, ce qui la force à réévaluer les choix qu'elle a effectués et ranime un amour qu'elle craignait envolé. Mettant également en vedette Armie Hammer et Michael Shannon, *ANIMAUX NOCTURNES* est un suspense d'une intimité troublante et d'une tension prenante.
