

Between the innocent, the romantic, the sensual, and the unthinkable, there are still some things we have yet to imagine.

Sophie's Choice is a tragic tale of a writer's love for a Holocaust survivor, adapted from William Styron's best-selling novel. Sophie (Meryl Streep) is a Polish Catholic haunted by the 'choice' she had to make in a Nazi concentration camp. Now in the United States, she has found a reason to live in Nathan (Kevin Kline), a sparkling if unsteady American Jew obsessed with the Holocaust. They befriend Stingo (Peter MacNicol) a young writer just arrived in New York City, witness to the happiness of Sophie and Nathan which becomes endangered by her ghosts and his obsessions.

This critically acclaimed box office hit features an unforgettable Academy-Award winning performance from Meryl Streep.
