

WHO WOULD YOU TRUST?

Oscar®-vinneren **Robert De Niro** og Oscar®-nominerte **Edward Norton** leverer sterke prestasjoner som den erfarne betjenten og den manipulerende innsatte, hvis liv kommer på kollisjonskurs i denne intense thrilleren.

Gerald "Stone" Creeson (Norton) sitter inne for brannstiftelse. Han er desperat etter å bli prøveløslatt og innleder en rekke psykologiske spill mot sin tilsynsverge, Jack Mabry (De Niro). Stone involverer i tillegg sin vakre kone (Jovovich) i sitt spill, men så begynner motivene å flyte sammen.
