Tim Burton og Johnny Depp: to legendariske talenter i nytt samarbeid. Regissøren og stjernen i fem bemerkelsesverdige filmer (blant annet *Edward Sakschånd* og *Charlie og sjokoladefabrikken*) er nå ute med en knivskarp nummer seks. Denne thrilleren er basert på Stephen Sondheims berømte Broadway-versjon, og handler om en barberer i 1800-tallets London, med hevnlyst i sinnet og et barberblad i hånden. Filmen har alt: blod, mysterium, romantikk, humor, fantastisk musikk og fremragende visuell utforming. Skuespillerne Helena Bonham Carter, Alan Rickman og Sacha Baron Cohen medvirker i dette mesterstykket som Sweeneys partner og hans ofre. Trenger du en barberer? En tett barbering? Sweeney venter.
