

GRAPES OF WRATH

Following a prison term he served for manslaughter, Tom Joad returns to find his family homestead overwhelmed by the weather and the greed of the banking industry.

With little work potential on the horizon of the Oklahoma dust bowls, the entire family packs up and heads for the promised land – California. But the arduous trip and harsh living conditions they encounter offer little hope, and family unity proves as daunting a challenge as any other they face.

Winner of
2 OSCAR®
Best Actress in a Supporting Role
Best Director
