

A brilliant film noir classic based on Mickey Spillane's bestseller, *Kiss Me Deadly* is masterfully directed by Robert Aldrich (*The Dirty Dozen*) and is hailed as one of his best. This DVD edition of *Kiss Me Deadly* features the fully restored original ending – which contains over one minute of crucial footage that clarifies decades of false interpretations. In order to illustrate the vastly different impressions left by each version, the altered/shortened ending has been included as well.

When callous thugs beat Mike Hammer (Ralph Meeker) senseless and viciously murder the gorgeous blonde he's been trying to help, the hard-boiled detective retaliates the only way he can: by hitting first and asking questions later. Cutting a brutal swathe through the city's sleazy underside, Hammer uncovers a mysterious black container whose deadly contents not only solve the murder...but trigger an apocalyptic climax as well!
