

"A BRILLIANT SUSPENSE THRILLER!"

- *Wireless Magazine*

Enken etter et offer, som ble likvidert i en skytemassakre, saksøker produsenten av våpenet som ble brukt, og et høyt spill i en eksplosiv rettsak starter. Flere millioner dollar står på spill, og en hensynsløs jurykonsulent (Gene Hackman) sparer ikke på noe for å skaffe til veie en jury som sympatiserer med hans klient. Spanningen stiger og nye overraskende momenter trer etter hvert fram i lyset. Det viser seg at juryen blir manipulert av en av sine egne (John Cusack). Dette er en sak der alle involverte vil gjøre alt i sin makt for å vinne.
